## Vespa Walt Disney Jet Helmet

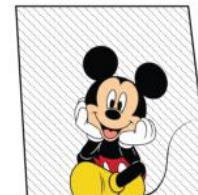

Special edition realized on the most appreciated and bestseller Vespa helmet, the VJ.

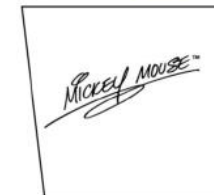

External shell is painted with an exclusive graphic that echoes the design of the vehicle. Vespa logo engraved on side covers and front-upper part of the shell. Made in ABS material, high resistance thermoplastic material. Elongated anti-scratch transparent external visor for the best protection against atmospheric agents and any intrusive material. The integrated sun visor can be easily retracted thanks to an accessible mechanism. Micrometric closure on chin strap that ensures optimal adjustments for the fit and prevents accidental openings.
